

CATERING NEEDS FOR CLUB BBQ'S

- 10 kgs (about 100) Thin sausages. Please buy good ones we can afford them.
- 2 kgs bacon
- 6 loaves of Sliced Bread.
- 2 Litres of plain milk.
- 2 Litres of Lite milk.
- 2 Kilos of sliced onions. Your choice?
- 1 tub margarine.
- Coffee, Tea, Sugar.
- 1 bag of Ice or some frozen bottles of water.

There should be Coffee, Tea, Sugar, Stirrers, Sauces, Salt, Cooking oil/ spray, Foam cups, Serviettes, Rubber Gloves in the trailer if there is not enough they can be collected from the shed.

“Please keep all Receipts for purchases and give them to the Treasurer and he will refund you the money”.

PS: Make sure the sauce bottles are stored in the esky between runs.

Contact Peter Davey to arrange pickup of the BBQ trailer (0413 132 209)

CHECK LIST FOR TRAILER USERS

- Check tyre pressure, including spare. (36psi)
- Check that all lights are working.
- Check that there is at least one FULL gas bottle.
- When filling water tank ONLY use the hose provided.
- Clean the BBQ plate and wash with hot water after use, wash all utensils, wipe the bench etc.
- Drain and clean the Esky.
- Drain the water tank after each use.
- If you find anything not right or is a concern, please report it to the Property Officer, Dave Phillis (0429 813 990) or the Events officer, Phil Sell (0413 153 019).
- Please leave the Trailer and the BBQ clean!!!!

NOTE 1: There is a wheel brace and jack in the toolbox under the BBQ in case of a flat tyre.

NOTE 2: For Southside trailer pickup contact Peter Davey on 0413 132 209 to arrange access.

NOTICE TO MEMBERS - USE OF CLUB BIKE TRAILER

“Without prejudice”

USE OF THE CLUB BIKE TRAILER INDICATES THAT YOU, THE MEMBER, FULLY UNDERSTAND AND AGREE TO THE FOLLOWING CONDITIONS, BEFORE USING THE CLUB BIKE TRAILER.

The Club has a bike trailer that has a net load limit of 500 kg (ideal for two bikes, but has mountings for up to three bikes).

The trailer is available for back-up (recovery) purposes on Club events and upon request to members during non VVCMCC event periods.

The use of the trailer is conditional on the understanding that the trailer is to be operated in strict accordance with current road regulations, including tyre loadings, speed, etc.

Correct tyre pressures, couplings and working electrics should be verified before each use.

An equipment inventory list and user guide is kept in the trailer toolbox.

Any loss of equipment or damage caused to the trailer whilst in the care of the borrower is to be repaired by the borrower of the trailer at his/her expense ASAP to keep the trailer available for Club use.

The trailer is only covered by the insurance which covers the vehicle that is towing it, therefore Third Party Insurance alone is insufficient.

You should discuss with your insurer prior to borrowing the trailer.

Any person using the trailer for Club or other recovery purposes is reminded that the bike owner must be satisfied that the bike is tied down securely, but it is the tow vehicle driver that is ultimately responsible.

If you have any doubts, DON'T USE THE TRAILER !!!
