

### Canberra Motorcycle Rally 9<sup>th</sup>-10<sup>th</sup> March

*Ray Croker reported ...*

*The Canberra Rally is still a very strong, well attended event, with 115 motorcycles attending on Saturday, one can only imagine the workload carried by their members, who went about their task(s) in a conscientious and polite manner.*

*Julie and I attended and were the only representatives from our Club. We found only one fault with the whole event, far too much food! (but who am I to complain) everything else was fantastic.*

*Saturday morning (before Rally time) it rained but cleared up in time for a dry day and pleasant conditions. We left Eagle Hawk and proceeded to Gundaroo for morning tea, after which we cruised through the local area and returned to Gundaroo for lunch and judging. Unfortunately, due to fuel restraints Julie and I returned to Eagle Hawk via the short ride, all up about 120 kilometres.*

*The Presentation Smorgasboard Dinner was held at the Ibis at Eagle Hawk. Again, great food and company.*

*As most are aware Julie hasn't been riding for a couple of years and had a ride at this Rally. She was rewarded with the trophy for "The Best Female Rider" – well done.*

*Sunday's ride was to Tarago, so we loaded one bike on the trailer and rode the other. Of course, Tarago is part way home for us. Apparently, the ride then returned to Bungendore for lunch and the end of the rally.*

*Well Done Canberra Crew!*
